TR3370
High Opacity White Resin

Product Description

Specifically formulated for PVC shrink tubing, this white resin is highly resistant to ethanol and isopropanol. It prints well on black, clear, and silver synthetic substrates and offers superior smudge and scratch resistance as well as durability. This ribbon also contains our specially formulated backcoat technology for printhead protection.

Standard Colors

White

Recommended Applications

Chemicals   Compliance   Electronics   Food & Beverage   Inventory & Logistics

Retail

Product Features

Feature	
FDA (indirect food contact)	✔
Halogen-free	✔
